

FIFAR Sponsored Walk

Max Gray (Under 12s), was lucky enough to raise the most money for the FIFAR Sponsored walk. Which is a great community charity supporting local schools.

Andy Quigley promised to get tickets to a Premier League game of anyone's choice and we picked the Manchester Derby.

It was a great game of football, with United winning 2-1. Good football was played, and it was like watching RRFC under 12s!!

Thank you to Andy Quigley and everyone at Risborough Rangers for a great day
